Start good. Won driving. Time—1.6.

King Bramble was a slight favorite in the handleap, which was attended by the most sensational incidents of the meeting. Robert Waddell was the second obole, while Royal Sterling and Speedmas also had a play. Speedmas went away in front, but never go, far away from King Bramble. They turned into the stretch together, where Robert Waddell hegan to close. King Bramble shook off Speedmas at the furious pole and then Robert Waddell halled him. It was a red-hot drive and a close finish. King Bramble won by a head, Speedmas was three lengths back. Just at the finish King Bramble swerved a bit, which made it appear as if Waddell agot up in time. The crowd surged about the judges stand, and hooted the decision. There was no hesitation on the part of the judges, however.

Fifth Race—About seven furiongs.— Won by The Golden Prince, Balloon was second and Punctual third.
